A **valid picture ID** and **Players Club card** must be presented with this request to the Player Club at the Grand Lake Casino.

It is my understanding that the Player Win/Loss statement is provided as a courtesy. The data contained in this report may not be an accurate reflection of all my activity as it is prepared from the use of player tracking cards and manually rated table play activity. This information does not include slot activity during the times in which the card is not inserted in the machine or during periods when the player tracking system is malfunctioning. There may have also been occasions when my player's card was inadvertently left in the machine and play generated by another patron was recorded on my account. I further acknowledge this report should not be relied on for tax reporting purposes. The Grand Lake Casino does not guarantee the accuracy of the win/loss statement. Furthermore, Grand Lake Casino does not hold any liability or Guarantees for tax reporting purposes. One free report will be issued throughout the year, and request for duplicates will be given for the cost of \$1.00 for the first page and \$0.10 for each additional page.
